## LEADERSHIP IN THE HOME

*For the husband is head of the wife, as also Christ is head of the church; and He is the Savior of the body. Therefore, just as the church is subject to Christ, so let the wives be to their own husbands in everything. (Ephesians 5:23-24)*

- Married couple families are a smaller percentage of households – 38%.
- Only 2/3 of children live with two parents.
- 40% of children are born outside of marriage.
- Only half of adults are married.
- 8% of couples are cohabiting.
